## Receipts.

### 2. VII. Private Contributions.

The increase of Rs 500 expected under this head is an account of contribution from villagers for sinking or repairing wells in their respective villages.

This could have been ascertained and entered in the original Budget. The estimate however is now passed.

3. Opening Balance. A sum of Rs 26,675 instead of Rs 10,429 as given in the original Budget and Rs 27,675 as shown in the Revised Budget sanctioned in Govt. Progn. No.  $\frac{8667.71}{2.79.01}$  of 6<sup>th</sup> Dec 1901 will be entered under this head as the correct actual balance as per Comptroller's final accounts for 1900-1901.

No ~~particular~~ reason is mentioned for the larger expectation now entertained. But as the matter is found apparently in presswork, the present estimate may as well be retained.

## Expenditure.

A. Public Works. The increase provided under "Original Works" and

Widening the top width of  
Sultan Huss Tank,  
Dandurche Taluk. Rs 495

Special repairs to  
3<sup>rd</sup> class Travellers'  
Bungalow at Rampur  
Malakalmuru Taluk Rs 300.

It is presumed that  
the widening of the tank  
bund referred to is on ac-  
count of some D. F. road  
running over it.  
The estimate is allowed  
to stand, but the Presi-  
dent should consider  
whether it is not <sup>necessary</sup> feasible  
to charge a part of the  
cost fairly to the Funds  
from which the tank  
is maintained.

Must  
be allowed if  
13/3/02

and "II Repairs" is for the margin-  
ally noted works. The necessity,  
or circumstances, under which  
the cost of widening the top  
width of an irrigation tank  
is proposed to be met from  
D. F. has not been explained.  
If a D. F. road runs over the  
bund of a tank, it does not  
appear fair that the entire  
cost of widening the top  
width of the bund should be  
charged to the D. Funds. Pending  
further report and formal  
orders thereon, the estimate  
will be allowed to stand

S. B. Public Works. The sum  
of Rs 1200 entered under  
"I. Original Works" and "II Repairs"  
is stated to be needed for urgent  
and important wells to be  
sunk in taluks. A list of  
such wells with the estimated  
cost of each should have

have been submitted. The estimate will however be retained.

### 5. Civil Charges.

6. Midwives. The President explains that a sum of Rs 50 is provided under this head <sup>Rs 50</sup> for Senior Surgeon's requisition to meet the cost of instruments and other articles to be supplied to the midwives in the District. The estimate is passed.

### 7. IX. Contributions. 20

meet the requisitions received from the P. M. D for proportionate cost of dispensary buildings in the District, an increase of Rs 105 is entered under this head, which is passed.

8. X. Miscellaneous. The present Budget provides an additional sum of Rs 400 to meet the arrears of

60 of commission payable to pound-keepers and feeding charges of impounded cattle recently passed by the Comptroller. This is allowed as also the decrease under "Medicine to treat cattle diseases" and Travelling allowance to members.

9. The Budget estimates as now re-revised are shown in the appended statement an abstract being given below:-

|                                         |              |

| (3) Total including<br>balance          | 69,295       |

(4) Estimated Expenditure.

|                  |           |        |
|------------------|-----------|--------|
| A. Public Works  | Rs 26,590 | 57,802 |
| B. ——— Do ———    | 16,298    |        |
| C. Civil Charges | 14,914    |        |

Closing Balance Rs 11,493

10. Government feel compelled to notice that proper care and consideration are not bestowed in the preparation of these budgets, an omission which results in the unnecessary work of revision more than once as in this case.
